Please note: The Educational Service Center of Central Ohio does not make any recommendations or give any advice as to the enrollment in annuity or deferred compensation programs. This list is intended only to inform our employees of those annuity programs currently ordered through payroll deduction. New companies are added only if ten (10) or more employees sign annuity contracts with said company.

An employee signed salary reduction agreement will need to be sent to the Treasurer's office from the Annuity Company or representative. Only annuity companies which have a signed "Common Remitter" agreement through VOYA will be accepted.
